Dear Mr. Clarke:

Re.: Non-objection- Stakeholder Consultation Report and Livelihood Restoration Plan

The IDB acknowledges receipt of your correspondence on February 27, 2024 (our record: CCB/CJA-90/2024), whereby you submitted for the Bank's review and non-objection the Stakeholder Consultation Report and Livelihood Restoration Plan (LRP).

Reference is made to our communication on March 1, 2023, recommending edits to the Stakeholder Consultation Report and the Livelihood Restoration Plan. Reference is further made to your email on March 14, whereby you submitted the updated Stakeholder Consultation Report and Livelihood Restoration Plan for the Bank's non-objection.

We note the relocation letter from the food truck vendor and ask that the notes from the engagement and the consultation report for the relocation be shared with the Bank under a separate cover.

Having reviewed the updated submission, the Bank hereby grants no objection to the Stakeholder Consultation Report and the Livelihood Restoration Plan.

Kindly disclose the Stakeholder Consultation Report and the LRP on the Ministry's website.

Sincerely,
